Sir:

When responding to the Notice to File Missing Parts, Applicant inadvertently failed to notify the PTO of a change in entity status. Applicant previously claimed small entity status when the above-referenced patent application was filed. Applicant is no longer eligible for small entity status and hereby notifies the Commission for Patents that Applicant should be considered a large entity from May 18, 2004 forward. Applicant paid the large entity surcharge in response to the Notice to File Missing Parts and does not believe that any additional fees are required. If however, any additional fees are required, authorization to charge any additional fees or underpayments was granted in the attached Fee Transmittal, submitted August 23, 2004.
